August 24, 2006

Sir:

Responsive to the Notice of Allowance Dated August 2, 2006, applicant respectfully submits the attached issue fee transmittal.

Please note the 37 CFR 1.48a request to correct inventorship package filed April 20, 2005. Despite the filing of a replacement Application Data Sheet along with the inventorship correction, in the PAIR system publication review tab, the inventor Mr. Roger Burke fails to appear. Although the request to correct inventorship appears in PAIR, no acknowledgement thereof has been received.

Please confirm the addition of Mr. Rodger Burke as a co-inventor for this application before processing the Issue Fee to avoid the chance of an error appearing in the patent document. Should anything further be required from this side, please advise.

Respectfully submitted,
